**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has provided me far superior service, speed and rates than AT&T (which I previously had). I'm a strong believer in the free market, and increased competition improves the services provided by ISPs while reducing prices for consumers.

The idea of switching back to AT&T's slower and more expensive network is painful to say the least.
